

## BELLE-AIRE'S NEW DESIGN FOR THE ENVIRONMENT "DfE" FRAGRANCES

In response to the current "green" movement in the cleaning products industry, **Belle-Aire** has created a line of fragrances that are now listed on the CleanGredient's online database and approved for DfE ecolabeling. Each fragrance contains *biodegradable* and *sustainable* materials that **meet the U.S. EPA DfE's rigorous criteria** in order to use the DfE ecolabel.

Please contact Belle-Aire at [sales@belle-aire.com](mailto:sales@belle-aire.com) or your representative for more information and samples.
